

May 2, 2007

Dear Sacred Heart Parent,

We would like to invite you to participate in an annual Parents of the Heart volunteer opportunity. Parents of the Heart sponsors the Angel Family program and needs your help to transition new families for the 2007-2008 school year into the Sacred Heart Schools community.

With the Angel Family program, a current family will act as a host for a family that is new to Sacred Heart. Parents of the Heart will provide specific guidelines and expectations to assist you in giving support to a new family. With minimal effort you will be changing a potentially overwhelming situation into a warm and welcoming experience.

As a host family your responsibility would include:

- A summer welcome phone call and meeting with the family prior to the start of school
- Hosting your Angel Family at the Angel Family Welcome Party at the beginning of the school year
- Answering commonly asked questions (uniforms, lunch, carpool, etc.)
- A first semester phone call to discuss upcoming events
- A mid year follow-up call

If you volunteered and were not chosen for this year, your name will go to the top of the list if you choose to volunteer for next year. So, if you would like to share your enthusiasm and experience with new parents, please complete and submit the following form to Tracey Crandall in the Advancement office by May 14th.

Please call Co-Chairs Claire O'Grady (773) 525-4215 or Bernadette Golitz (773) 248-6482 with any questions or comments regarding the Angel Family program. Thank you for your consideration.

Sincerely,
Claire and Bernadette
