

## FALCONS & WILDCATS,

We have games THIS Saturday! Most of you have your teams by now. For those who don't, please have patience as we finalize the last details and get those out to you ASAP. Game schedules call all be found on the CCYL Website and will be updated on your Teamsnap shortly. As we prepare to return to basketball games for the first time in a while, we want to take a moment to remember the risk involved and the safety required. Below you will find a letter from the Athletics department and SHS administration. Please read carefully for details on our basketball mitigation measures and risks.

We are all excited about our return to basketball and want to encourage everyone to be as safe as possible so that we can have an amazing season!

Schedules on CCYL Website:

- <https://www.chicagocatholicyouthleague.org/schedules>
- Click on your grade/gender and then from the dropdown menu, find your team and scroll down for schedule

Go Wildcats!

Go Falcons!

-Coach Manley and Coach D

# **BASKETBALL COVID PROTOCOLS**

Dear Basketball Families,

As we begin the season, we thought it important to outline the safety precautions we are taking for basketball and to remind everyone that basketball is a high risk activity.

In order to mitigate risk, we are implementing the following procedures:

- CCYL, our basketball league, is asking for one spectator and no concessions at games. Other guidelines for games have been communicated separately.
- During practices, students will be asked to change quickly in the locker rooms, keeping masks on tightly and being diligent about changing speedily.
- Grade levels and gender groups will be kept separately as much as possible.
- Practices will be divided at the 4th and 5th grade levels so that one practice per week will focus on drills and skill development and the other focusing on scrimmaging. On skill and drill day, students will be kept as distanced as possible by team.
- Students will be encouraged and reminded to stay distant and keep masks on when taking water and bathroom breaks.
- The school may need to quarantine all unvaccinated students in a particular gender and grade should a case occur that involves the basketball teams. We need to assume that there will be COVID cases during the season.

Please note that basketball is inherently a high risk activity. We feel that basketball is worth offering this winter because of the social-emotional and physical benefits to the students. That said, please note that by choosing to participate in basketball, you are agreeing to the additional risk and to the measures that may need to occur if and when there is a positive diagnosis. Thank you in advance as we work to provide a successful, safe, and healthy basketball season for the children.

Sincerely,

Matt Manley - Athletic Director

Margot DiMuzio - Assistant Athletic Director

Joanne Shemiot - Head of Student Life

Meg Steele - Head of Schools

# WEEK OF 11-8

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
	11/8	11/9	11/10	11/11	11/12	11/13	11/14
<b>BASKETBALL</b>
