

SHS Middle School Glee Club

This is a singing/performance ensemble directed by the Fine Arts Director, Mr. Justin Taylor Nixon. Most of the music represented is contemporary pop music or musical theater with the occasional sacred performance during a school chapel or mass. This ensemble involves a much more rigorous rehearsal process. Students will be challenged through the complexity of the music and the inclusion of tight harmonies and part work. Students will perform at all school music concerts as well as possibly presenting their own Glee Club concert and occasional performances throughout the school year at school functions. This group is only successful due to the continued support of our parents who volunteer and help out. Please, let me know (on the bottom of the form) if you are able to help us in any way. Breakfast is big for this group! We will be meeting before school, 7:30-8:15 a.m. **First rehearsal, Wednesday, September 25.** Thank you!
